

**Inspired by the architectural details  
of your home and aesthetic direction  
towards mid-century modern  
silhouettes, the design of this space  
features  
clean lines,  
playful details,  
and muted colors.**

---

**Family-friendly fabrics and features  
were considered as well as pieces to  
highlight the unique details of the  
space.**

# Color Story

*Botanical inspired hues with pops of warm accents*

# Proposed Wall Treatment

## *Wallpapered Accent wall*

**Sofa wall to have a wall covering treatment in subtle color to add texture and dimension to the space.  
Pattern will not be too 'bold' so artworks/wall pieces can be featured.**
